

## News Release

### **ORISTEL APPOINTED BY SIAE MICROELETTRONICA AS PREFERRED SYSTEMS INTEGRATION PARTNER FOR DISTRIBUTION OF ITS MICROWAVE RADIO PRODUCTS IN THE ASIA PACIFIC REGION**

***Massive growth in demand for broadband mobility in Asia presents exciting opportunities for OrisTel and its partners***

**Singapore, 17 June 2014** - Singapore Technologies Electronics Limited (ST Electronics) announced that its telecom systems integration arm, OrisTel Systems Pte Ltd (OrisTel), has been appointed by SIAE MICROELETTRONICA as its preferred systems integration partner for the distribution of its microwave radio products in the Asia Pacific region.

OrisTel will leverage the synergies derived from ST Electronics' extensive customer base and SIAE MICROELETTRONICA's microwave radio solutions to deliver high-speed broadband solutions in the Asia Pacific region.

*"SIAE MICROELETTRONICA looks forward to a prosperous relationship with OrisTel and to deliver the most advanced microwave solution technologies to their customers in the Asia Pacific region."*

**~ Marco LORETO,  
International Sales & Marketing Director,  
SIAE MICROELETTRONICA**

*"OrisTel strives to deliver best-of-class products and solutions together with SIAE MICROELETTRONICA to meet the rising bandwidth demand from customers in Asia Pacific."*

**~ GOH Wai Pheng  
SVP/General Manager, OrisTel Systems &  
Deputy President, ST Electronics (Satcom & Sensor Systems)**

OrisTel will showcase the latest SIAE MICROELETTRONICA'S microwave technology at CommunicAsia 2014 from 17 to 20 June 2014 at Marina Bay Sands, Singapore, at the ST Electronics booth #1N3-01.

At the OrisTel stand, visitors will see how SIAE MICROELETTRONICA'S solutions can support all network typology like enterprise private network, PPT/Fixed wired network, mobile and LTE backhaul through the latest microwave technology: E-band solution, high capacity full IP outdoor microwave radio, the Packet and Hybrid configuration systems and the universal aggregation platform.
